By using this website or accessing any part of it, or websites owned by ACM or by sending an email to any email link on this site, you agree to these Terms.

2. User License

Permission is granted to temporarily download one copy of the materials (e.g. information and news item) on ACM's web site for viewing only. This is the grant of a license, not a transfer of title, you may only use or copy the content for the benefit of ACM. Use for your own commercial benefit, where no direct benefit arises for ACM, requires written permission from ACM.

3. Disclaimer

The materials on ACM's web site are provided "as is". ACM makes no warranties, expressed or implied, and hereby disclaims and negates all other warranties, including without limitation, implied warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement of intellectual property or other violation of rights. Further, ACM does not warrant or make any representations concerning the accuracy, likely results, or reliability of the use of the materials on its Internet web site or otherwise relating to such materials or on any sites linked to this site.

4. Limitations

In no event shall ACM or its suppliers be liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption,) arising out of the use or inability to use the materials on ACM's Internet site, even if ACM or a ACM authorized representative has been notified orally or in writing of the possibility of such damage. These limitations may not be applicable in certain jurisdictions.

5. Revisions and Errata

The materials appearing on ACM's web site could include technical, typographical, or photographic errors. ACM does not warrant that any of the materials on its web site are accurate, complete, or current. ACM may make changes to the materials contained on its web site at any time without notice. ACM reserves the right to make changes and updates at any time, however, does not make any expressed or implied commitments or guarantees in this regard.

6. Links

ACM has not reviewed all of the sites linked to its Internet web site and is not responsible for the contents of any such linked site. The inclusion of any link does not imply endorsement by ACM of the site. Use of any such linked web site is at the user's own risk.

7. Modifications

ACM may revise these Terms of use for its web site at any time without notice. By using this web site you are agreeing to be bound by the then current version of these Terms.

8. Personal Information

Any information that you provide either by automated form on the web site, if applicable, or by sending an email to or otherwise contacting one of the people listed on the web site is voluntarily provided by you.

This web site, and ACM's email system is hosted by third parties and you accept that your personal or corporate information, such as name, address, employment history, salary history, business information, technical data and any other information that you may submit is inherently unsecured and not within the direct control of ACM. You further accept that ACM cannot be held responsible for any errors or security lapses by third party providers.

You are responsible for ensuring that the information submitted to ACM is accurate and up-to-date. Providing falsified or incomplete information is a material breach of this contract and ACM reserves the right to take remedial action including in the case of job applications, withdrawing the job offer and immediately terminating your employment. If allowable within the jurisdiction, ACM may at its sole discretion effect said termination without any compensation to you notwithstanding anything to the contrary in your employment contract.

ACM may seek additional data and/or verify your information by contacting your references, referrer and other third parties. ACM has no duty to inform you that it is seeking such information.

ACM may use your personal information to contact you and to send you announcements.

ACM will protect personal information by reasonable security safeguards against loss or theft, as well as unauthorized access, disclosure, copying, use or modification. However, you accept that these safeguards are not absolute and information may be accessed by third parties.

Regarding personal information and images shown in the site, the information about any individual or their image may not be reproduced without the prior written permission of both ACM and the individual.

9. Trademarks and Logos

The ACM logo and name are trademarks or registered trademarks of ACM. All other product names, logos and company names mentioned on the web site are the trademarks or registered trademarks of their respective owners, are mentioned for identification purposes only, and cannot be used without the prior consent of the respective owner.

10. Governing Law

The validity, construction and performance of these Terms shall be governed by and interpreted in accordance with the laws of the Republic of Singapore and in using the site you irrevocably submit to the non-exclusive jurisdiction of the courts of Singapore.
